

ENGAGING IN LEGISLATIVE PROCESS

1

Bill is drafted and introduced.

2

Bill goes to committee (hearings/markup).

Committee votes to report bill.

Bill goes to floor for final vote.

Passed bill goes to conference (if needed).

President/Governor signs the bill and law is printed.

Most engagement opportunities will be here

Veto Power

3

Law is implemented.

(This is where regulatory process takes over.)

Implementation is often overlooked and key to making change
